## 3. LEGISLATION AND LAW REPORTS

If you are interested in legislation or cases concerning information technology in specific countries you will need to consult the legislation or law reports for that jurisdiction.

Consult the List of Serials or the Online Catalogue to find the general classmark for the country you require. Consult consolidations of legislation, digests or indexes to trace particular acts or cases.

These printed subject guides are all available on the IALS web site at the following address. There is also an **Online Subject Guide** with links to electronic documents concerning this topic.
