

Legal Records at Risk seminar

Institute of Advanced Legal Studies

10 December 2015

UNIVERSITY
OF LONDON

Progress to date: scoping the project

We have contacted:

- All the major archive pressure groups, plus individual archives with a particular interest
- Most historical/research societies and institutions
- The Law Society, The Solicitors' Regulation Authority, 10 major London Law Firms and c.20 smaller/ancillary ISLs

And:

- Created a database of ISLs and possible gaps in archive provision
- Set up a website
- Drafted two questionnaire

Progress to date: identifying potential ways forward

We are identifying:

- Categories of legal records of research value
- Potential case studies
- User research requirements
- Potential repositories
- Funding opportunities
- Digital archiving possibilities
- Ways to raise the project's profile
